A.R.S.	A.C.A	A.A.C
§41-2804	3JTS-2A-01, 2C-09, 2F-02	R2-5-104

Purpose:

The Arizona Department of Juvenile Corrections (ADJC) complies (within budget and manpower constraints) with the federal and state standards of physical design and accessibility and regulations for program accessibility required by the Americans With Disabilities Act (ADA). The ADA established standards to ensure that disabled persons are afforded full participation in all program activities and services, including rights of access to buildings and transportation.
